# ABOUT THE CLUB

Riverside Course, Trent Lock

## About Us

Trent Lock nestles between the picturesque locks of the River Trent and is within easy reach of the major motorway networks, train station and Nottingham East Midlands Airport.

A proprietary owned golf complex providing a relaxed and inviting atmosphere for golfers and non-golfers alike. The clubhouse is the focal point of the complex and was built in 1992 to encompass panoramic views of the golf course and rolling countryside towards the River Trent itself.

Both the 9 Hole Canal Side Course and the 18 Hole Riverside Course were designed with the needs of golfers of all abilities in mind. Each course represents a challenge, test of skill and offers a great deal of enjoyment.

The Riverside Course has been designed to embrace a number of water features in a tranquil setting adjacent to the River Trent. Traditional features add to the attraction of the par 70 course which measures some 5993 yards in length. Each of the holes test the skill and nerve of players at all levels, providing a challenging yet satisfying round of golf with great views.

The attention to detail that prevails within the golf complex also extends to innovation on the 22 bay floodlit Driving Range. With 12 bays now housing the latest power tee technology which allows your concentration to remain firmly focused on your swing.

The short game area also provides a perfect practice facility, designed with two greens, one of which is surrounded by bunkers, three hitting areas including true strike mats and a grass tee for approach shots which allows you to practice pitching up to 100 yards, chipping, bunker play and putting around the green.

Locks Bar & Coffee Lounge is immensely popular and has gained a deserved reputation for fine home cooked food served in relaxing surroundings. It now benefits from the introduction of free Wi-Fi for all those who want to mix business with pleasure.

Locks Restaurant, with its tasteful décor, fine gastro cuisine, overlooking the ornate patio gardens is the ideal setting for those warm sunny days and a place to gather to recount the stories and memories of your day.

With the addition of Adventure Golf, which opened in May 2013, this added attraction is the perfect way to complete your away day, leaving you all with lasting impressions of a fabulous time.
