

BEREAVEMENT

In Deepest Sympathy Funerals, Wakes & Memorials

We appreciate it is a difficult time and we aim to take the stress out of catering for you.

At Trent Lock we have over 2 decades of experience in assisting clients during their times of loss in the arrangement of catering for a funeral. Whether the party is a select few in numbers or a larger event we can offer two venues alongside a variety of menu options to offer your gathering.

For your choice of venue, be it Locks Restaurant or The Nicklaus Suite, our Bereavement Buffets are inclusive of Room Hire (up to 4-hours).

Locks Bar is open from 8:00 am until close. Guests are warmly invited to stay and mingle as they offer comfort to each other. Open Bar accounts can be pre-arranged alongside any other personal touch you feel appropriate for the occasion.

Locks Restaurant is ideal for gatherings between 30 to 80 persons with direct access to the gardens.

The Nicklaus Suite affords guests more privacy with its own private bar and access to the terraced balcony and will be set with round tables, white linen and black candelabras

ALL SAINTS CHURCH, Sawley

The Church dates from the 13th Century and contains Saxon and Norman work. Beautiful stained glass windows dedicated to past noted church members, stone arches either side of the nave and a 17th Century pulpit, it is not surprising that Sawley Church is considered one of the most picturesque as it sits in stunning grounds.
